TOP 5 SOFT SKILLS

Adaptability   Resilience   Team Work
Fast Learning   Listening

EDUCATION

Bachelor's Degree in Computer Engineering

Università degli Studi di Palermo

🗓 2018–2021   📍 Palermo

Specialized subjects:
- Electronic Computers C.I.
- Programming
- Databases and Information Systems
- Algorithms and Data Structures
- Computer Networks and the Internet
- Operating Systems
- Web and Mobile Programming
- Software Engineering

HOBBIES

In my spare time, I dedicate myself to **writing articles, creating content and developing Tech-Fusion**, a blog about computing and technology that I am developing together with a group of friends. In addition, I try to constantly stay up-to-date on my passions and further my skills through the **study** of the latest technologies. I am interested in **gaming** and **cooking** and enjoy team sports activities, such as **football**.
